A NOTE FROM THE DIRECTOR

They're creepy and they're kooky. Mysterious and spooky. They're all together ooky... "The Colts Theatre Family" Just kidding! When I was younger, both The Addams Family and The Addams Family Values were in constant rotation in my household. I was obsessed with Christina Ricci who played Wednesday Addams. I would always have my hair in pigtail braids just like her. I love that a new generation is growing up with their own Wednesday Addams who is equally as amazing! This show has been so much fun to direct! The costumes have really been my favorite part of this entire process if I'm honest! I love all the gothic and vintage clothes we were able to find. The kids have been working so hard on this show and you can see the passion they bring to the stage. We hope you enjoy our version of The Addams Family!

Much Love,
Ms. Vallejo

ABOUT THE SHOW

Wednesday Addams, the ultimate princess of darkness, has grown up and fallen in love with a sweet, smart young man from a respectable family—a man her parents have never met. And if that wasn't upsetting enough, Wednesday confides in her father and begs him not to tell her mother. Now, Gomez Addams must do something he's never done before—keep a secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's “normal” boyfriend and his parents.

“The Addams Family” is presented through special arrangement with and all authorized performance materials are supplied by Theatrical Rights Worldwide

BENCHMARK MORTGAGE

I have been working in the mortgage industry for over 20 years. During that time, I have had the opportunity to help thousands of families achieve the dream of home ownership, as well as helping experienced investors expand their real estate portfolios. I have experience with FHA, VA, USDA, and Conventional financing types. I have worked with agricultural and commercial clients as well. I especially enjoy working with first-time homebuyers navigate the mortgage and home buying process!

Prior to my career in the mortgage business, I was a professional operatic tenor and performed across the US and in Europe. It has been rewarding to be able to volunteer as a vocal coach for my son Hudson and his castmates over the past 2 years at Covington. They are all so wonderful to work with, VERY talented, and it has truly been my honor to help them grow!
